

# Thrift Savings Plan BULLETIN

for Service TSP Representatives

**Subject:** Special TSP Poster — “April is Financial Literacy Month”

**Date:** March 31, 2011

The Thrift Savings Plan (TSP) is pleased to announce the publication of its special poster, “[Does your TSP account need a checkup?](#)” in support of Financial Literacy Month in April 2011. We hope that you can use the poster in conjunction with other activities you may have planned for Financial Literacy Month. The poster features an image of money receiving a checkup. Now is a perfect time for participants to make retirement a priority by planning a financial checkup, re-evaluating financial targets, and updating long-term retirement goals.

In addition to the poster, the April 2011 version of the Thrift Savings Plan’s *Highlights* newsletter and the new “Ways to Save” chart are available at [www.tsp.gov](http://www.tsp.gov) for you to share with your members to further advance the objectives of Financial Literacy Month. The “Ways to Save” chart encourages participants to think about new ways to save for retirement. It is linked from both a Web banner and the Bulletin Board on the TSP home page. The *Highlights* article is available under Forms & Publications on the TSP website.

An electronic version of the poster is attached to this bulletin and is also available on the TSP website. The TSP will not be issuing a supply of posters to the services’ central distribution points.

Please print the poster and display it in highly visible areas, such as dining facilities, member lounges, hallways, etc., and/or forward the electronic posters to your members. It is important to periodically remind participants to reassess their TSP investments, so they can be sure they are saving and investing to reach their long-term financial objectives. The posters are an easy way to convey this message.

PAMELA-JEANNE MORAN  
Director  
Office of Participant Services
