TSP website	www.tsp.gov

The Agency requests that payroll and personnel office representatives contact their agency TSP personnel and/or payroll coordinator before calling the Agency regarding policy issues and problems. Payroll and personnel office representatives should follow their agencies' procedures for handling TSP questions, including those from employees.

(continued on next page)

Inquiries: Questions concerning this bulletin should be directed to the Federal Retirement Thrift Investment Board at **202-942-1450**.

Chapter: This bulletin may be filed in Chapter 2, General Information.

Supersedes: This bulletin supersedes TSP Bulletin 93-2, Plan Points of Contact for Agency Representatives, dated January 22, 1993

Payroll and personnel office representatives should also use internal agency procedures for inquiring about or ordering TSP materials.

The TSP's Agency Technical Support (ATS) is responsible for monitoring the system that processes contribution-related data and loan payments. ATS monitors both the electronic data and Web-based submissions for input into the system (employee data records, payment records, negative adjustment records, etc.). ATS also provides a variety of reports to agencies regarding the processing of their submissions and assists them in the reconciliation of the data provided. In addition, ATS handles requests from agencies for the forfeiture of erroneous agency contributions to participant accounts and the restoration of agency contributions forfeited from participant accounts due to agency error. **This contact information is specifically for payroll offices that submit contribution data and to resolve submission issues.** Payroll representatives who have questions regarding the processing of payroll office submissions should call ATS at 1-888-802-0179, Monday through Friday, 8:00 a.m. - 5:00 p.m., Eastern time.

Participants, whether active or separated, can access information about their accounts or general TSP information in the following ways:

The website, www.tsp.gov, is available 24 hours a day. Participants can access their accounts with the 13-digit account number (or the customized user ID they created) and an 8-character Web password provided when the account was established (or a custom password, if applicable). Participants may also call the ThriftLine, 1 -TSP-YOU-FRST (1-877-968-3778) to speak with a Participant Service Representative (Monday – Friday, 7:00 a.m. – 9:00 p.m., Eastern time) or access their accounts on the ThriftLine 24 hours a day using their 13-digit account number (or customized user ID) and the 4-digit Personal Identification Number (PIN) provided when the account was established.
