Title: 5, United States Code

Chapter: 84, Federal Employees’ Retirement System, Subchapter III, Thrift Savings Plan

Bulletin: 87-19, Use of Electronic Funds Transfer for Thrift Savings Plan Deductions and Contributions

Date: March 27, 1987

To: TSP Agency Payroll Office Representatives
   TSP Agency Personnel Office Representatives
   TSP Automated Data Processing Representatives

The purpose of this bulletin is to provide agency offices guidance concerning the use of electronic funds transfer (EFT) for transmitting Thrift Savings Plan (TSP) deductions and contributions to the Treasury Department.

As the recordkeeper, the National Finance Center (NFC) anticipated the need to process funds from some entities outside the Treasury Department’s disbursing authority. The Federal Retirement Thrift Investment Board, in conjunction with the Treasury Department, has adopted the policy of EFT as the most cost effective method of processing these collections and disbursements for the TSP. There are several reasons for selection of EFT over other methods of processing. EFT is cost effective, efficient, fully automated, and simple to process. To accommodate this, we received approval to use the Treasury Financial Communication System (TFCS) for these organizations. Use of the TFCS provides for rapid investment of these funds and, hence, maximizes earnings to the employees.

Attached is a Form TSP-4, Electronic Funds Transfer Message Format, including completion instructions, which will be used to provide specific information to depositors and financial institutions regarding funds transfer messages. A completed Form TSP-4 is also attached for reference. A completed Form TSP-2, Certification of Transfer of Funds and Journal Voucher, is attached to provide sample information that is required for the completion of Form TSP-4. Detailed completion instructions for Form TSP-2 are provided on the reverse of the form.

Local reproduction of Form TSP-4 is authorized. For your convenience, 25 copies will be distributed by the NFC to agency payroll office addresses receiving this bulletin.
