Your TSP participant statement provides valuable information about your account. It is one of the best sources of information about the activity in your TSP account and the personal information the TSP has on file for you. Because the statement replicates the information in your TSP record, it is important for you to review it. Report any information in it that you believe is incorrect to your agency or service (if you are active) or to the TSP (if you have left Federal service).

To better understand your statement, read the text shown in blue throughout this leaflet. It explains the information in the different sections of your statement.

Questions?
This space provides contact information for the TSP and also tells you how to correct errors on your statement.

Your Thrift Savings Plan (TSP) participant statement is available in the My Account section of the TSP website or, if you prefer, you can ask to have the statement sent to you after the end of each calendar quarter. (Calendar quarters end March 31, June 30, September 30, and December 31.) Mailed statements exclude transaction details broken down by investment fund. If you would like to have this level of detail and you do not have Internet access, you can call the ThriftLine (1-877-968-3778) to request it.

If your name or address shown on the statement is not correct, please contact your agency or service if you are active. Do not rely on change of address information you submit to the U.S. Postal Service; it does not update your TSP account record.
If you are separated, you can change your address in My Account at tsp.gov (Personal Information, Profile Settings), submit Form TSP-9, or contact the TSP.
