

HOW TO READ YOUR Quarterly TSP Participant Statement

FOR BENEFICIARY PARTICIPANTS

Your Thrift Savings Plan (TSP) participant statement is available in the My Account section of the TSP website or, if you request, is mailed to you after the end of each calendar quarter. (Calendar quarters end March 31, June 30, September 30, and December 31.)

Your TSP quarterly participant statement provides valuable information about your account. It is one of the best sources of information about the activity in your TSP beneficiary participant account and the personal information the TSP has on file for you. Because the statement replicates the information in your TSP record, it is important for you to review it and report to the TSP any information that you believe is incorrect.

To better understand your statement, read the text shown in **green** throughout this leaflet. It explains the information in the different sections of your statement.

If your name or address shown on the statement is not correct, please correct it.

You can change your address in My Account at tsp.gov (Personal Information, Profile Settings), submit Form TSP-9, or contact the TSP. Do not rely on change of address information you submit to the U.S. Postal Service; it does not update your TSP account record.

To change your name, submit Form TSP-15.

A summary of the activity affecting your traditional balance, your Roth balance, and your total account for the quarter. If you have only one type of a balance, you will see only one column of numbers depicting your quarter totals.

This shows how your total account balance is invested in the 10 TSP funds as of the end of the quarter. If you have no investments in a fund, you will see 0%.

To move your money among the funds, you must do an interfund transfer. Log into My Account on the TSP website (with your account number and Web password, or custom ID), or call the ThriftLine (and use your account number and ThriftLine PIN).

Here's how your account balance is distributed among the TSP funds.
