### SECTION I

Complete all items in this section.

---

### SECTION II

*Your choice will cancel all previous elections.*

#### Example

*Previous Election:*

Traditional	5%
Roth	2%

*New Election:*

Traditional	5%
Roth	10%

Complete this section to start your TSP contributions or to change the amount and type of contributions. (**Remember:** To stop your contributions, you must complete Section III.) Because whatever you enter in this section will cancel all previous elections, be sure to indicate exactly what percentages/amounts you want to contribute, even if part of your election has not changed (see the example in the margin). You can elect to make traditional (pre-tax) and Roth (after-tax) contributions simultaneously. **Traditional contributions** come out of your pay **before** income taxes are calculated; you pay income taxes on these contributions and their earnings when you withdraw them. Roth contributions are made from your pay **after** taxes, and the earnings grow in your account tax-deferred. Withdrawals of Roth contributions are tax-free. The earnings associated with Roth contributions are also tax-free, but only if 5 years have passed since January 1 of the calendar year in which you made your first Roth contribution, and you have reached age 59½, have a permanent disability, or have died. **Note for FERS:** All agency contributions to your account are tax-deferred, even if they are matching your Roth contributions.

Complete **either** Item 6 **or** Item 7 (not both) for traditional (pre-tax) contributions; **either** Item 8 **or** Item 9 (not both) for Roth contributions. You may choose a percentage of basic pay for one type of contribution and a dollar amount (as little as \$1) for the other type of contribution.

**If you choose a percentage of basic pay,** your contribution amount will automatically increase when you receive a pay raise.

**If you choose a dollar amount per pay period,** your contribution amount will not increase when you receive a pay raise; you must submit a new Form TSP-1 to change the amount.

**Contribution limit.** In most cases, the **total** of your traditional and Roth contributions cannot exceed the Internal Revenue Code (IRC) annual elective deferral limit. However, if you are turning 50 or older this year, you can save more by contributing toward the IRC annual catch-up limit. This happens automatically once you exceed the elective deferral limit. For the current year's limits, visit “Contribution Limits” on [tsp.gov](http://tsp.gov).

### SECTION III

Complete Item 10 to stop all or just one type of your contributions. You may restart your contributions at any time.

**FERS employees:** Your Agency Automatic (1%) Contributions will continue after you stop your employee contributions, but you will no longer receive valuable Agency Matching Contributions. (If you restart your contributions, the matching contributions will resume.)

**Note for newly hired or rehired FERS or CSRS employees:** Your agency automatically deducts 5% of your pay, tax-deferred, and deposits the money in your TSP account for your retirement savings. If you want all or any portion of your automatic contributions to be after-tax Roth contributions, **you must complete Section II** and indicate what percentages or amounts you want as traditional (pre-tax) and Roth (after-tax) contributions. You can stop your automatic employee contributions before they start if you submit this form to your agency at the start of your first full pay period, subject to your agency's processing deadlines. If your agency has already begun to deduct your automatic employee contributions from your pay each pay period, you are entitled to request a refund of your initial contributions by submitting Form TSP-25, *Automatic Enrollment Refund Request*. We must receive Form TSP-25 within 90 days of your first contribution.

### SECTION IV

You must complete this section.

### SECTION V

*(To be completed by personnel or benefits office)*

The Receipt Date (Item 14) is the date that a **properly completed** form is received by the agency personnel office. If the form has not been properly completed, it should be returned to the employee.

Requests must be processed immediately for new and rehired employees who want to stop automatic enrollment before it begins. This will help avoid a payroll deduction that may have to be refunded. The Effective Date (Item 15) must be no later than the first full pay period after receipt of a properly completed form.

You should provide the participant with a copy of this completed election form.
